PROJECT

This is a side project I made for training and practice. No other objectives. I've designed something clean and simple with a full screen layout. I know it probably has some aberrations and we can discuss for hours about the UX but I just tried to keep it simple and enjoyable :)

Miley Ray Cyrus
Hey @Cosmopolitan I'm just sitting around unable to control my "needs" & my "reproductive system". WTF? How's your Friday?

Taylor Swift
Tonight at the O2, @samsmithworld sang my new favorite song "Money On My Mind" and smashed it. You need this song/artist in your life!

Jessie J
My advice for the gym. Is go the day before you were going to go. Don't think about it. Seriously just do it.

Rihanna
Thats that incredible book I told yall about a while back! Peter Berg finally made a movie about it with some of my fave Hollywood eye candy

Lana del Ray
Download the Tropico EP feat. the full film + Body Electric, Gods & Monsters and Bar Air from the Paradise Edition. <http://lanadelre/TropicoTW>

Nicole Scherzinger
Double work out today, trying to get this okole back in shape! Had about a dozen of these puppies... <http://instagram.com/pjxmruflbLY/>

my @RecessBlack like just sitting around unable to control my "bladder" & my "reproductive system". Wtf? How's your Friday?

10h

Miley Cyrus
I woke up with "Channing all over your Tatum" stuck in my head. Thanks @mymkmmr

Very nice

Sebastian Lagod · 3 years ago

Clean and modern but looks like every other dashboard app spawned from one of the generic templates.

Xian Li · 3 years ago

Nice work! If you have time, please have a look at my work! I appreciate any

comments or feedback! Thanks!

Shreyas AR • 4 years ago

Nice Craft.. appreciated !

Take a look around my work might be you ll find something use full.
